EXPERIENCES

Web Developer Intern

[Umbrix](#)

📅 May 2020 – August 2020 📍 Remote

I worked as a web developer intern at Umbrix which is a new emerging startup. I got the opportunity to start something this big from very scratch as being one of the first interns. I lead the front-end dev team and mainly responsible for designing and developing website's UI.

Student Developer

[Crio.do](#)

📅 January 2020 – April 2020 📍 Remote

Got a hands on practice on networking concepts and file sharing protocols in QBox, And in QMoney I worked on a visual stock portfolio analyzer in which I Refactored code to add support for multiple stock quote services. Summary Report :-
